## School IPM Coordinators: 2022-2023 Training Schedule

**Integrated Pest Management (IPM)** training sessions are offered for school IPM Coordinators and other school personnel with administrative responsibilities that accord with the IPM law. IPM Coordinators receive certification of attendance to fulfill the MANDATORY training requirement as stated in the NJDEP Pesticide Control Program regulations at N.J. A.C. 7:30-13.3. Training **does not need to be repeated annually**; though people may keep up-to-date by attending annually. The sessions help IPM Coordinators implement the IPM law with regards to such things as: non-pesticide pest management, parental notification, the 72-hour notification rule, low-impact pest management; record keeping, and dealing with pest emergencies. Participants will receive 4 Continuing Education Units (CEUs). Register by filling out this form and emailing it. Facilities Managers with CEFM certification should note that the 4 CEUs will help them to fulfill the NJDOE requirement that 20 CEUs must be earned within a three-year period to maintain certification.
